performance, creation, movement...

They say a picture is worth a thousand words. Well, here are seven thousand words worth of expressions. Each of them is a reflection of the individual; Who they are and what they're doing. Shown here in a few candid shots are some of Keppel's most expressive students.

CAREER CENTER

STS TO WORK FOR YOU

The Career Center is a place where students go and get assistance for their future plans. It is also a good place for students to find out more about what they plan to do after high school. There is a different speaker in the Career Center each week to help students decide on which college or occupation they should go into.

Celina Dean is busy as a bee. Buzz! Buzz! Loretta Morgan is actually Carol Marol of "Let's Make a Deal".

REGIONAL OCCUPATIONAL PROGRAM

The Regional Occupational Program offers students the opportunity to go out and work in a field that interests them. R.O.P. is a great learning experience because it develops your knowledge of a certain occupation. Students do not get paid for R.O.P. but for some courses they can earn up to 10 credits.

Angie Magni works at a menial, humiliating task. These students and tea bags look very busy. Actually, they were not doing a thing until the photographer walked in.

Sue Bohnert: The Sly One

Mrs. Sue Bohnert has been teaching at Keppel for eighteen years. In the last few years, however, a group of unknown students have been lavishing gifts upon her. Although she has no idea who her secret pals are, one thing is certain—Her fondness for Unicorns has not been overlooked. Her mysterious benefactors, calling themselves The Red Passion Society, have also been known to go as far as to post huge banners and flyers throughout the school. Yet Mrs. Bohnert manages to take all the attention in casual stride, saying "What can I say? I'm the sly one!"

Ron Cox graduated from MKHS in 1967, and began teaching here in 1974. A man of many interests, he teaches individual math and P.E., in addition to being our wrestling coach. He enjoys skiing, fishing, and playing Daddy to his nine-year-old son. His secret fantasy is to own a huge ranch in Texas.

Generally speaking, Mr. Cox enjoys his job and considers his strongest point to be his ability to communicate with his students.

"My task of teaching," he says, "at times seems overwhelming, and I wonder if it is all worth it. But down inside I know it is! I know it is because young people are the hope of the future! Philosophy aside, I just plain enjoy working with people!"

Ms. Grinker: Más Intrigue!

To most students, Miss Roberta Grinker appears to be a fairly ordinary Spanish teacher. Annual Staff, however, has uncovered several red-hot items, which, when pieced together, paint an altogether different picture of Miss Grinker—A picture of intrigue.

After graduating from Hamilton High School in Los Angeles, Miss Grinker attended UCLA for several years (Now, if that isn't suspicious, we don't know what is!) She majored in teaching, which of course explains what she is doing here at MKHS. Furthermore according to a reliable source—she enjoys crocheting, reading, singing and disco dancing. It is also rumored that she is fluent in five languages. With such linguistic talents to rely on, Miss Grinker has reportedly travelled the world in search of adventure and excitement. In fact, she even admits to having been to the Orient, Europe, Israel, and Latin America.

Roberta Grinker declined to give Annual Staff members the lowdown on her future plans, but did agree to utter her often-quoted, immortal words of farewell... "Hasta Luego!"

Robert Katz— “Who, Me?”

Mr. Robert Katz has served as the head of the Social Science Department since 1968. Although his job does keep him quite busy, he usually manages to find time to read historical novels, garden, and walk along the beach while thinking poetic thoughts. He enjoys fishing and playing with his dog, Grover.

Canine matters aside, Robert does have his serious side. “I like my job because of its numerous personal benefits,” he says. “I get an absolute thrill knowing that I have helped our country’s young people in some way. For this reason, I like participating in events such as Cabinet’s Waterballoon Toss, since they bring me closer to my students. You might even say that a day without students is like a day without me or a yearbook cover without me on it!”

Ms. Gaby Manchester

Ms. Gabriella (Gaby) Manchester had an interesting childhood, as she grew up living all over the world. She was born in Germany, where she lived for eight years. She then spent six years going to school in Japan and another year in Iran. By her own account, she attended "countless grammar schools" and five high schools. While some might consider her childhood to have been outlandish, Ms. Manchester thought it was fun. These days, she still enjoys travel, and she has recently visited the Caribbean, Europe, and Mexico.

An English teacher, Gabriella loves teaching because her students make it exciting. She likes working with her students and helping them get in touch with their feelings.

Ms. Manchester is married and has one cat named Simon Patrick Adiarte (he was named for the husband of a friend).

Don Monson: Living Legend

Don Monson, a social studies teacher, has been at Keppel for fifteen long, torturous years. JUST KIDDING—Actually, he has enjoyed his years here very much. He is the current advisor to the American Field Service, which annually sponsors the Foreign Exchange Student Program. Being a part of A F S. has been a great experience for him, as he has had the opportunity to become friends with young people from all over the world. He only wishes that they could stay longer than one year, but someday he hopes to visit his past A F S. students.

Don attended Whittier College U S C., Pepperdine University UCLA, and Cal State L A before finally settling down at M K H S. The reason he attended so many schools was that, during his college years, his health often necessitated that he miss a large portion of each semester. Consequently, he changed schools several times. His favorite school, by the way, was Whittier College (which is not far from Alta and Hadley Streets).

In his spare time, he likes to read biographies and travel around Southern California. He also is fond of seeing musicals. One of his favorite ones is "EVITA" ("which stars the immortal Lori Ackerman" according to Mr. Monson). As he is interested in California's history, he has quite a collection of old California history books and paintings.

Will Pratt: Such Talent!

Is there anything Mr. Pratt can't do? After speaking with this well-rounded man, several TEOCALLI Staff members commented on the fact that they were surprised by the diversity of Mr. Pratt's interests.

A history and government teacher, Mr. Pratt has also been serving as assistant coach of our Varsity football team. However, he says he enjoys teaching more than coaching. A graduate of Chaminade State College in the city of Pittsburgh (where he taught before coming to MKHS), he is currently working towards his Masters Degree at Cal State L.A. Someday Mr. Pratt would like to be a counselor. As of now he devotes a lot of his time to school but he has also found time to be in charge of the annual Youth-in-Government program.

When he's not busy working, Mr. Pratt loves fishing off the Santa Monica pier, playing basketball, and sketching portraits. He is an accomplished artist and collects oil paintings as well. He is now thinking about getting into the photography field.

Hooray For Mr. Schnell!

Mr. Stuart Schnell was born in Brooklyn, New York. He is single and doesn't plan on ever getting married because he doesn't think it would suit him. He has spent all twelve years of his teaching career at Keppel. Mr. Schnell likes his sense of humor because he thinks that without one, teaching can become boring. One of his best-known hobbies is teasing his students. If Mr. Schnell was not a teacher, he would probably be a mad scientist, and then we'd all be in trouble!

Most of us know that Mr. Schnell is heavily into the Japanese scene, and now the enterprising TEOCALLI Staff has discovered why. In an exclusive TEOCALLI interview, he revealed that when he was studying at Cal State, he took a Japanese class for a joke. But it was so much fun that he has continued his studies ever since. In addition, Mr. Schnell loves Japanese food and wearing T-shirts with questionable sayings.

If anyone has Mr. Schnell, they can be sure it won't be boring, and those who have had him know why.

Ray Williams: Mr. Teocalli

Since 1969, Mr. Ray Williams has been the advisor to the TEOCALLI Staff. It's no easy job, and he is a tremendous help to everyone on staff. He is also a photography teacher and gets a great feeling of satisfaction from working with his students. In fact, several of his most promising students have gone on to pursue careers in the photography field.

Ray Williams graduated from Mark Keppel in 1952 and was a math major in college. Nowadays, he keeps busy with his job and a wide range of interests. He makes a hobby of collecting and restoring antiques, and also likes to spend time with his three children. He is active in his church, and (as of late) has just finished remodeling his kitchen.

In closing off this portion of the yearbook, the entire TEOCALLI Staff would like to acknowledge Mr. Williams' contribution to our 1981 yearbook. Our book could not have been produced without his dedication and unselfishness, and all of his efforts have been greatly appreciated.

Fall Play: **1984**

MKHS' 1980 Fall Play was one of the most difficult productions ever to be performed here. "1984," based on the novel by George Orwell, required of its cast intense emotional involvement. The cast members had to actually put themselves into the society of 1984 to fully understand their characters.

The play dealt with life in a futuristic society, in which all thoughts, feelings, emotions, and actions were controlled by the government. To quote a passage from the play itself: "Even when he is alone, the party member can never be sure he is alone. He has no freedom of choice and no private emotions."

The cast included stage veterans Laura Brackenbury, Chris Kelly, Joe King, Mike Wallenstein, and Charlene Williams, as well as newcomers Jim Bosco, Pat Callahan, Cheryl Edwards, and Brigitte Trenzini. Also in the show were Mark Christensen, Lisa Reinhardt, Vanessa Sanchez, Gisela Tapia, Macy Yip, and Gilberto Gawronski. This year's foreign exchange student Ms. Gall McCartney, assisted by Tracy Foote directed the production, which was presented on December 4, 5, and 6.

AZTEC Singers

Under the direction of Gary Hall, the multi-talented Aztec Singers enjoyed performing throughout the community, spreading a positive image of Mark Keppel. They have all spent countless hours practicing, arriving at school at 7:10 each morning. As one member, Kathy Sun, remarked, "I have been real busy lately because of the Aztec Singers, but it's been such a fun experience, I don't mind the work and the time involved." The members of the Aztec Singers include Cathy Luna—President, Alan Anaya, Nadine BIANES, Jim Bosco, Ruth Burkes, Darryll Bustamante, Robyn CORKINS, George Fierro, Doug Irvine, Randy Harper, Chang Hong, Chris Kelley, Joe King, Nancy Lanham, Russell Lee Sung, Barbara Lopez, Caroline Strachan, Kathy Sun, Rene Trowbridge, Ines Valdes, Charlena Williams, and Roger Zamora.

Top to bottom: Kathy and Nadine practice hard for a performance. The Aztec Singers rehearse the hand movements. Kathy and Joe sing their favorite song, "Don't Cry For Me Argentina." Kathy, Joe, Russell and I study the words of a song.

Spring play

For the first time in many years Mark Keppel staged a William Shakespeare play, "Midsummer Nights Dream." The play was presented April 2, 3, and 4. A comedy of confusion and magical mishap, this production was based on the premise that a midsummer night is a circus dream.

The Mimes started out unofficially as silent guides at the 1980 State Thespian Conference held at Mark Keppel High School in February. During the summer following the conference, they officially became a performing troupe of mimes. They have performed throughout the San Gabriel Valley at various school functions, churches, girls' clubs, malls, Monterey Park Founders Day, and at the Artisan's Fair. The mimes are rapidly becoming a respected troupe of amateur performers.

Stage Crew '81

Stage Crew worked with the Drama Department in staging the Fall and Spring plays as well as the school assemblies during the year. Their knowledge of stagecraft can only be matched by their dedication to doing a good job, for these behind-the-scenes people work just as hard as the "up-front" performers. The members of Stage Crew include Ann Groves, Richard Gonzales, Marilyn Ambar, Wendy Hubert, Robert Lara, Pam Hubert, Jim Schofield, Charlie Gonzales, Linda Simon, Eddie Castano, Mike Flanagan, Norma Roman.

Our Ballet Folklorico troupe was kept busy throughout the year by their hectic performing schedule. Their beautiful costumes reflected the pageantry of Latin America (particularly Mexico), and the dances themselves mirrored the traditions of our Southern neighbors. By sharing a part of their culture with us, the Ballet Folklorico enriched our sense of cultural awareness as well.

IDEA Staff enjoys the literary life

IDEA Magazine got off to a late start this year, but their final product—IDEA magazine, of course—was well worth the wait. Several students, in fact, commented that they had never seen anything like it. Although the staff members did most of the work, advisor Linda Mayo was always there to lend a hand.

American Field Service

AFS, the American Field Service, annually sponsors the exchange student program. Through this program, high school students spend up to a year in a foreign country. The AFS Club helps by raising money during the school year for this very worthwhile cause. Led by President Laurie Lieswald, AFS greatly contributed to our school's international atmosphere.

Gilberto Gawronski enjoys Keppel life

Gilberto Gawronski came to MKHS from Porto Allegre, Brazil. In Porto Allegre, a city of approximately 1,500,000 people, he attended Sao Pedro School. At that school, he had a full schedule of eleven classes, including Geography, Government, Portuguese, and English.

Since he had an easier class schedule here at Keppel, Gilberto found time to participate in various activities. A member of AFS, Crown & Sceptre, Thespians, Cabinet, and Artis, he was also in the cast of the Fall Play, "1984". In this respect, life here was quite different from Brazil where most social activities are organized outside of school.

Gilberto truly enjoyed his stay in Alhambra with the Ortiz family, who are members of the adult chapter of AFS. Once home, he plans to pursue a career in architecture at the Ritter dos Reis Institute.

STARTING OVER

Our life together is so precious together
We have grown—we have grown
Although our love is still special
Let's take a chance and fly away somewhere alone
It's been too long since we took the time
No-one's to blame. I know time flies so quickly
But when I see you darling
It's like we both are falling in love again
It'll be just like starting over—starting over
Why don't we take off alone
Take a trip somewhere far far away
We'll be together on our own again
Like we used to in the early days
Well, well, well darling

1980 The David Geffen Company

John Lennon, best known as the lead singer of the Beatles, was maliciously assassinated on December 8, 1980 while returning home to the Dakota apartments in New York City. Mark David Chapman had been arrested for the killing of John Lennon. This incident sparked renewed interest in Beatles' albums and in his own recent album "Double Fantasy" and in Gun Control Legislation. Most experts agree that he and his group had brought about a prominent change in music and individual attitudes.

Fire, election, Lennon: '80-81 events

On November 21, 1980 there was a fire at the MGM Grand Hotel and the President of the Board of Education, Richard Amador, was there. Eighty four people lost their lives in one of the worst hotel fires in recent history. Mr. Amador was in Las Vegas attending a work shop on school budgeting. Due to a mix up of hotel accommodations, Mr. Amador was transferred to the MGM Grand at the last moment. He became aware of the fire while preparing for an early morning meeting. After a very anxious thirty to forty minutes he and his wife finally reached safety.

Ronald Reagan swept the electoral college and was inaugurated January 20, 1981 as the fortieth President of the United States. On the same day President Carter's last hours in office were devoted to intensive negotiations for the release of the fifty two American hostages held by Iran. President Reagan's first official act was to announce the release of the fifty-two American hostages after four hundred and forty-four days in captivity.

The 1980 Homecoming festival featured various types of food ranging from tacos to teriyaki. The festivities were highlighted by the annual powder-puff football game in which the junior and senior girls teams battled it out to a tie score 0 to 0. School organizations also provided lunchtime entertainment throughout Homecoming week. Cabinet sponsored a whip cream and cherry eating contest which was won by Cabinet member, Mike Schober. Girls' League member, Lorraine Aburto auctioned her club's prime specimens at their annual Slave Day.

QUEEN LORRAINE ABURTO

HOMECOMING 1980, an incredible, exciting, and memorable evening for Lorraine Aburto. Lorraine has been an active member of the student body since her freshmen year. She was on B-Yell, Annual Staff, G A A., Varsity Softball, Frosh and Senior Girl's Choir and was also on Varsity Yell this past year. Lorraine has always been an asset to the class of '81, being the most spirited and likeable girl on campus. Lorraine's escort during a parade held in honor of the court was Sammy Ybarra Albert Aburto. Lorraine's brother, was her escort for the evening. After being announced Homecoming Queen, an overjoyed sister, Ann Aburto, accidentally tackled Lorraine and brought them both tumbling down into the arms of their brother! All in all the experience will be long remembered and forever cherished. "The night of Homecoming was the high point of my high school years, one that everyone on court will always remember," Lorraine Aburto.

Aowakya

Aowakya members planned ways to help our community and raise money at school. Besides participating in the Homecoming and other events, they went to convalescent homes to give the elderly flowers, Christmas carol, and communicate with them on an informal basis. They also helped the City of Alhambra work on its Rose Parade float. Overall they had a good year and had socials with other clubs.

Kiowa members were active in the community and socially. They spent part of their time helping others in our community. For example, during the Christmas season, they donated five gifts and spent time with the people involved in the local MERCI Adult Center. The rest of their time was spent at social meetings where group members were known to predict certain people's love lives with a Ouija board

Chanticon

Chanticon concerned themselves with activities happening in the community as well as those at school. Along with the basic fundraisers such as car washes and bake sales, they committed themselves to make time for other types of activities. For instance, each month the members attended a religious prayer meeting. In addition, they acquainted themselves with our foreign exchange student, Gilberto Gawronski and his native country.

This year, Tonatiuh was very active in community and school activities. They dedicated themselves to bettering the lives of people in our community as well as those around the world. During the Christmas season they made ornaments for children in hospitals. Throughout the year they sponsored children through an international aid program. This helped orphans living in the third world countries. For social events, they joined with their sister club, Talondi.

Flag, with only four members, placed fourth in competition at camp last summer. Making up for the loss of a bigger squad, flag performed at lunch pep rallies, half-time activities and down on the field on Friday nights at the games. Flag members are trying to encourage more girls to help bring up the reputation that flag has successfully carried throughout the years.

Varsity Yell 80-81

Varsity Yell consisted of nine members: seven seniors and two juniors. This was the last year the seniors would be able to cheer for their Aztecs. "Being a cheerleader is not as easy as everyone thinks," said Louise Velarde. "A lot of free time is taken out for practice." Varsity Yell stays after school to make up movements to all their cheers.

In previous competitions, Varsity has never placed first or second. Last summer Varsity Yell placed first and second in competition at camp.

The hardest thing about being a cheerleader is trying to get the crowd to yell with you," said Lorraine Aburto. "When the team is doing good, the crowd is on their feet, but when the team is doing bad, the crowd is silent." Being on Varsity has been a fun experience. "We will miss it very much," said Louise and Lorraine with a frown.

Song 80-81

Varsity Song consisted of six members: Dana Faucetta, Gina Chavez, Susan Maulit, Stacy Smith, Cathy Luna, and Stephanie Kato. During the year they have participated in various competitions, Half time shows, and pep rallies. They have had a lot of fun and excitement this year but hard work also played a big part in their group "We have worked hard and devoted a lot of our time to song, but it was worth it," said Dana Faucetta. "Cheerleading is what we like best."

J.V. Yell

J.V. Yell consisted of seven very talented girls this year. Placing sixth in camp competition, they did extremely well during the summer. They also cheered the J.V. football team to victory. Most members went on and will be seen cheering for Varsity next year.

Varsity

ended their season in a three-way tie. Losing to Rosemead 34-6 they found themselves tied with El Monte and Rosemead playing for a CIF birth. Using a California tie breaker to decide CIF standings, varsity took third.

Varsity's first playoff game was against Serra, the Camino Real League Champions. Our gallant football players came up short. Serra went on to play Schurr in the final for the Southeastern Conference Championship.

Rebuilding a strong foundation gave the team their CIF birth. The experience of the returning lettermen gave renewed determination. With the leadership of Eddie Chavarria and David Rodriguez (both MVP) the team for the year displayed a dazzling performance. With the talent they had and the experience they gained, next year a varsity is expecting more.

The Sophomore Football Team of 80-81 was on a winning streak. As freshmen they took the league and as sophomores they won their second championship. Last year's sophomores took Tri-City League

Talent, determination, and teamwork played a great part in the team's success. Richard Espinoza as quarterback led the team with 13 touchdowns while Robert Castaneda and Carlos Perez were the team's strong back field. A strong defensive line was also a key to their success as they held some of their opponents to shut out scores.

Winning the league though was not easy. The last game of the season would decide if the sophomores could hold on to the championship. Coming from behind to tie Rosemead, the Aztecs were running out of time. With seconds left, Mike Brown kicked to receiver Mike Estrella for the winning finger tip catch.

Looking forward to next season, the sophomores have high hopes. With the two Sophomore '79-80 and 80-81 Champions playing together, they expect to take league

The Freshmen football team started the season lacking experience but were eager to learn and excel. Through long hard practice hours they developed the talents and abilities to be league contenders.

As it turned out the pre-season was a learning experience against three eventual league champions. League started against Arroyo and the Aztecs blew them off the field 20-0. It looked as though Keppel would prevail as league champs again.

Coach George commented on the season. This team is going to be winners at Keppel if they stay away from influences that pull them away," he predicted. "If they pump weights regularly and dedicate themselves to athletics they'll play for the championship every year."

All these young men played exceptionally well all year but our most versatile player and most valuable is Steve Murray, his talents were outstanding this season.

Varsity Volleyball Wins First Round in CIF

Varsity Volleyball has shown significant improvement this year. A new coach, Karen Maynard, helped them reach a third place standing; they eventually got as far as one game away from first place. Teamwork, experience, enthusiasm and a lot of hard work took them to CIF, with an impressive 7-3 record. They went to CIF for the first time in several years.

After upsetting league champions South Hills, they went on to play Santa Clara. Playing here at Keppel, varsity gave it all they had. Losing the first game 15-5, they came back to challenge Santa Clara but were defeated 16-14.

Although they had only two returning lettermen, JV had a successful year. Many new recruiters knew very little about volleyball, but with the patience and experience of Mike Burke, JV ended the season third in league. Much more is needed to be learned, but with the dedication these girls put forward, their goals were met. Great things are expected from these fine athletes in the future.

Water Polo Has A

With the close of the 1980-81 Water Polo season, injury turned out to be the toughest opponent and the hardest defeat to accept. Coming off strong last season, the '81 team finished with a 3 win, 5 loss record. With a depleted varsity squad, underclassmen were called upon to fill the ranks of the Varsity players. They played an instrumental role in the three victories, and kept honor in the face of defeat. With the loss of Coach Greenamyer, Coach White was left to guide both Varsity and Fresh-Soph team.

Splashing Season

The Frosh-Soph team showed great potential and gained Varsity experience in several games. This will give them both experience and strength in the coming years. Team moral reached many lows this season because of the defeats, yet most members fought on and finished the season. Most members were dedicated enough to attend the many practices and games, even when they were faced with the possibility of defeat. This was a season to be remembered not for victory and fame but for dedication, pain, honor, and sportsmanship.

VARSITY '81

Starting off slowly, Varsity basketball was able to get going by the time league started. With only two returning lettermen, Tom Griffin and John Suardini, Coach Bob Zabel was faced with the task of preparing the rest of the team. J.V. '81

The J.V. Basketball team, coached by Mr Anson, did their best to have a successful season. They played hard in every game and showed their tough Aztec determination. SOPHOMORE BASKETBALL

At the start of the season the team was filled with energy, enthusiasm and confidence. They enjoyed working together as a team, their sportsmanship exceeded only by their dedication. They practiced endlessly, until their skills were perfected. Outstanding players Mario Franco, Bryan Funamoto, Cary Nui and Kevin Koga helped lead the team to a final record of 7-3 (league), giving them a second place.

It's CIF For Varsity Soccer!

For the third year in a row, Coach Werner Barsuhn and his Varsity soccer team are on to CIF. With key players such as Gerardo Palestino and Carlos Oliva, the team proved tough in league. The spirit of the team helped give them a boost as they continued to dominate teams by outlasting them through the second half of each game.

Behind every great Varsity team is a great JV team, and this JV soccer team is no exception. Dominating their league once again this season, the road to CIF next year is pretty well paved. Coach Robert Yepez, a former Keppelite, proved to be a strong factor in the success of Keppel soccer teams.

Varsity pins for six

Varsity wrestling did a fantastic job this year! Their per-season record was 15-5. Basically the team gained a lot of experience in pre-season. Tremendous conditioning and drilling were their major steps in preparing themselves for league. A lot was expected from our varsity team and they gave their audience what they expected and more. In the first league match they defeated Alhambra 50 to 15. They went on to beat Schurr 41 to 25 and stomped Rosemead 52 to 12.

J. V. knows the moves

J.V. wrestling had a strong squad and a good season. They had an impressive pre-season record. They won Alhambra 37-19 and they won Rosemead 41-18. Wrestling is a grueling sport that involves a lot of self-discipline especially in diet. The team spent many weekends at tournaments and it was well worth it. Varsity Baseball

Season didn't start off too well. They didn't have enough time to practice before their first game. It showed in their playing, as they ended their pre-season with an 0-5 record, giving up 31 runs to their opponents 10.

The turnaround in the season was after their game against San Marino. Valentino called a meeting and talk about what could be done to get them ready for league.

They opened their league with Arroyo, who was considered to take league. Great pitching from Ricky Matas for eight innings and a clutch Double by Jim Castillo gave varsity a 2-0 victory in extra innings.

The following week, varsity was up against Schurr. The defending league champions for 2 consecutive years had not lost a game that early in the league.

Another great job by Ricky Matas for six innings and relief pitcher Tommy Torres help defeat Schurr 3-1. Good hitting by the team and clutch base hits gave varsity the victory.

With the great performance of varsity baseball, Valentino hopes his team keeps up the hard work for years to come.

J.V. demonstrates great ability

This year's J.V. baseball team worked very hard, and deserve a lot of credit for their efforts. Working very hard, they demonstrated great teamwork. Each team member contributed by playing to his full potential. Never giving up, they showed ability and drive and the will to win.

Freshmen show great endurance

(Top row)—Coach Robert, Jeff Smith, Joe Romero, Robert Acosta, Rick Panza, Tim Pfrimmer, David Gatica, John Gonzales, Gabriel Hernandez, Gene Burdugo, Robert Kazer (Front row)—John Wong, Jim Playlock, Mando Magana, Betho Carda, Henry Harper, Raul Rodriguez, Ronald Malonez, Alfonso Sierra, missing Bill Sanchez, Esequiel Flores.

This year's freshmen team was young and inexperienced. With hard work and dedication, teamwork paid off. The team prepared themselves for their tough competitors by practicing many long hours. Doing what they do best the freshman had a good season.

Does it Again

Varsity worked and played hard this season. They spent innumerable hours practicing—after school, on weekends and during holidays—and they were rewarded with an impressive final record. Each person on the team had a positive attitude which, of course, was a great morale booster for themselves and their oh-so-sly coach, Mike Burke. Coach Burke helped the girls through practice, conditioning, and finally the games themselves. One player echoed the sentiments of the team when she commented, "You want to know our philosophy? We don't reach for the trees, we reach for the stars! We can always reach the trees, but this year we had our one shot at the stars!" The members of Varsity are (opposite side) John Milano, asst. coach, Shen Chavez, asst. coach, Patsy Lomeli, Cyndi Kitigawa, Patty Gilliland, Lorraine Reyes, Dana Dawson, Christine Minami, Mike Burke, Coach, Toni Kitigawa, Adele Hernandez, Yolie Vargas, Silvia Limon. The members of J.V. are Bonnie Smith, Vicky Medina, Susan Joko, Liz Vasquez, Kim Duran, Deseree Guerrero, Lynne Kurlich, Ceci Nunez, Blanca Payan, Brenda Valdez, Vicky Payan, Loretta Rojo, Paula Zabala, Linda Sepulveda.

BACK ROW: Albert Hernandez, Chuck Rivera, Darryl Busamante, Bernard Leth, Bill Campos, Matt Vila, Jirho Lee, Martin Afaro, Gustavo Ocampo, Ricky Martinez, Juan Camarena. Front row: Larry Landless, Aaron Guberrez, Freddy Valdes, Ramero Rodriguez, Aben Alegre, Albin Guimpang, Robert Heath, Henry Rodriguez.

This year's Varsity team had a lot of lumps to smooth out before they could get on the road to success. The season started off slow due to the unyielding weather conditions. As the season warmed up so did the team, under the direction of their new coach Mr. Martinez.

Golfers Go Fore It!

The golf team is a young and inexperienced squad. They have two returning varsity players, Wade Tetsuka and Greg Mosman. Mosman finished ninth in this year's Tri-City Tournament. Also, two JV players returned, Jon Sera and Chris Thorne. The rest of the team consists of eight first-year players.

The golf squad is looking forward to a fun and interesting year. Coach Paul Baldwin is doing a great job in teaching the boys the skills involved in golf.

The co-ed Badminton Team, comprised of many returning players, worked its way to the Mission Valley League Championship. Strength and leadership was provided by Pat Gorman, Christina Tana, Khai Tran, and captains Johnny Lim, Ameria Tang, and Mei Lee Wong. As Coach George commented, "Our strength lies in our experienced players showing an unselfish attitude and helping to teach our new incoming players."

Varsity Tennis

'80-81

With Coach Rich Westphahn at the reigns, this year's Varsity Tennis team held their own against the tough Mission Valley League powerhouses, Schurr and Rosemead. Led by Captain Donnie Meza, the team proved that teamwork is essential in building a championship team.

Back Row: Jose Sanchez, Eli Torres, Ralph Loera, John Ameluxen. Front Row: Qu Tran, Martin Ng, Jim Schofield, Philip Peremejo, Kenichi Yoshida.

Under the coaching of John Ametuxen, the J V and Frosh tennis teams did well this season. One of the main reasons why Mark Keppel tennis teams have been so successful in recent years was because of the J V and Frosh team members. Practicing everyday on their serves and drop-shots, they were preparing and improving their games, so that when they joined the Varsity team, they would have the experience necessary to be a Varsity player.

The donkeys arrive

On February 19, the annual Donkey Basketball game came to life. It was sponsored by AFS (American Field Service) as a fundraiser to defray the cost of sending our students to foreign countries. Competing in this event were some members of the Varsity Football team against a team of highly dignified faculty members. The game was tied up in the fourth quarter SUDDEN DEATH!!! Mr Herrera's basket led the faculty to a 46-44 victory!

“I’m up here from the off-shore gales like cold air the games to the Extra Tony Lioa
and the like. They Basketball is a sport. Randy Morris is a star. Donkey Basketball is
next up and it’s a standard and so I use it to help make a better game. Tony Tim
is the star of his duels after visiting Darm takes five.

CROWN & SCEPTRE

CROWN & SCEPTRE has participated in many of the school year's functions including entering a float in the Homecoming Assembly, selling condiments during the festival, and selling students snacks during lunchtime. Crown & Sceptre is an organization composed of all seniors which have been chosen during their junior year by qualifying with a 3.0 average or better. Also, a high standard is set for citizenship and organizations the students have participated in during their freshmen and sophomore years. Crown & Sceptre also participated in the 1980 graduation ceremonies.

Students Visit Washington, D.C. Attend Inauguration

At 12:30 a.m. Saturday, Jan. 17, 21 excited Keppel students took off from L.A. airport and headed for Washington, D.C. Five hours later in the nation's capitol the students were greeted by below freezing temperatures and a slow baggage claim system.

During the next four days the students toured the capitol and Williamsburg, Va. The trip came to a climax at the inauguration where the students viewed incoming president Ronald Reagan take the Oath of Office.

Other highlights of the trip included a visit to the Capitol Building where local congressman George Danielson met the group and gave them a VIP tour of the building. They also visited such historic sites as The Lincoln Memorial, The Washington Monument and Jamestown, Va., site of the first settlement in the new world.

Students in the group were Andre Baydaline, Cliff Becker, Laura Brackenbury, Sheri Carter, Doug Castillo, Robin Ceballos, Hector Chacon, Stella Daita, Danielle Dellisanti, Christie Gill, Kim Nygaard, Frank Poppe, Maggie Poppe, Raul Reyes, Ramiro Rodriguez, Mike Schober, Janice Seno, Kathy Seno, Dawn Sugiyama, Louise Velarde, and Mike Wakenstein. Dennis Nasitka and Frank Poppe Jr. chaperoned the trip.

A large, ornate letter 'Q' is centered at the top of the page. It has a thick, black outline and a white interior. The letter is highly decorative, featuring intricate scrollwork and flourishes. Below the 'Q', there is a grid of smaller letters arranged in rows. The letters are mostly in a serif font, though some are in a different style. The grid includes letters such as 'B', 'E', 'H', 'I', 'L', 'N', 'O', 'P', 'R', 'S', 'T', 'U', 'V', 'W', 'X', and 'Y'. Some letters are partially cut off at the edges of the grid.
